

LONDON

Classic 6 side lantern powered with Solar energy. The almost invisible Solar panel at the roof of the lantern has a large capacity. Resulting in a long autonomy of more than 10 hours during night time. Comes with 3 retrofit filament bulbs, creating a warm & gentle light. The die-cast aluminium post can be mounted on a paved surface thanks to the included metal mounting bracket. For unpaved surfaces, you can use the special spike, available as an accessory.
